ORDER

The Court has under advisement Plaintiff's motion to reconsider our April 27, 2000, Order. **(Docket #22)**. In that Order, the Court granted Defendant's request for a protective order of certain materials. In his motion for reconsideration, Plaintiff again alleges that Defendant's Internal Audit Branch Audit Report #95-45-03, dated February 15, 1995, is not privileged and is relevant to his case, and is thus discoverable. In order for the Court to make a final determination, IBM is hereby Ordered to submit a sealed copy of the audit report for the Court's ex parte inspection. Said submission shall be made within **ten (10) days**.

**SO ORDERED.**

In San Juan, Puerto Rico, this 12 day of February, 2001.
